GROUND BREAKS ON HUDSON HILL CONDOMINIUM

NEW YORK CITY — Ground has broken on the development of luxury residential building Hudson Hill Condominium, located at 462 W. 58th St. in Manhattan, New York City. Upon completion by year-end 2008, the building will contain 67 one-, two- and three-bedroom residences ranging in price from \$900,000 to \$2.98 million, as well as from 760 to 3,253 square feet in size. Amenities will include a full-time lobby attendant, a live-in super, a video-intercom system, a common recreation room and an outdoor patio. The building will be wired for Internet, cable and telecommunications. Manhattan-based Alchemy Properties is developing the building.
